### Maastricht & surrounding area very satisfied with participation STB Marketplace

Sep 02, 2010

"We got a real kick out of it," says Tamara Weide, Sales Manager Meetings & Incentives of the Maastricht Convention Bureau, when thinking back on her attendance at the trade show for German meeting planners STB Marketplace, which was held in Frankfurt on August 31st.

"The fair was organised in a very professional fashion and visitors came with very specific questions to our booth. Many planners were pleasantly surprised that we, together with our

partners Maastricht Tourist Office, Hostellerie La Butte aux Bois, Restaurant Château Neercanne, Kruisherhotel and Château St. Gerlach, were the only Dutch participant.

But they all thought us to be very right: we are located so close to Germany, and our beautiful region offers so many possibilities for business meetings! When you think of it, some German cities, such as Berlin, are located much further away for most trade show visitors.

This is something they all realised thanks to us being there. Next year we will definitely participate again, not just this one, but two STB Marketplaces! We hope that we will be able to make even more partners enthusiastic to participate, so we can represent Maastricht & surrounding area with an even larger delegation!
