Planners of corporate meetings, incentives and conferences visit Maastricht

Thursday, October 08, 2009

Last weekend, nineteen planners of corporate meetings, incentives and conferences from The Netherlands, Belgium and Germany were in Maastricht & surrounding area to get to know this region as a destination for their meetings. Such site visits have proven for many years now to be a successful initiative of the **Maastricht Convention Bureau (MCB)**.

"Maastricht & surrounding area has to offer. People don't have to go very far to have a meeting in attractive surroundings. Therefore, it is important to keep informing and inviting planners from our neighbouring countries, especially nowadays, when people don't have a lot of money reserved in their meeting budgets," says **Tamara Weide**, Sales Manager Meetings & Incentives Conventions of the Maastricht Convention Bureau. *"During the site visit, we went to several venues and our guests participated in a workshop during which they met with MCB-partners we could not include in the site visit programme. This way, our guests were informed adequately by representatives of the various meeting, party and dinner locations, suppliers services and other possibilities in Maastricht & surrounding area. This worked very well."*
